Dear Brian and all of our Friends from Rookwood Homes:

On behalf of all of us here at Ronald McDonald House of Cincinnati, thank you so much for allowing our House to be the benefactors of this year's Concept Home. The home you built was absolutely fabulous and we were thrilled to be able to host several events there as well as receive proceeds from tours of the home. We are all very grateful for your thoughtfulness and for your support our House and guest families.

Your support is more important than ever as families from the tri-state and around the world travel to Cincinnati Children's Medical Hospital Center seeking health and hope for their children. Thanks to friends like you, we are able to continue to provide a safe, comfortable "home away from home" for nearly 1,100 families each year, including hot meals, a place to shower and rest comfortably and, most importantly, the support of our staff, volunteers, and other families who share similar hopes and concerns.

Please know that hundreds of families benefited from your kindness during a very difficult time in their lives.

Sincerely,

Jennifer L. Goodin
Executive Director

Thanks so much for the very successful event you hosted to raise much-needed funds for our House and guest families! The home is gorgeous and we are so grateful for your support.
